

User Manual

DREAME Filter for H15 Mix

Description

This replaceable filter element for the Dreame H15 Mix vertical vacuum cleaner with mopping function enables replacing a worn filter with a new one, thereby ensuring the device remains ready for daily vacuuming and floor mopping.

Intended Use

For safety and certification purposes, the product must not be modified or altered in any way. Use of the product for purposes other than those described may cause damage. Additionally, improper use may result in hazards. Thoroughly read the user manual and retain it for future reference. Read and comply with all safety instructions provided in this manual.

1. This product is not a toy. Keep the product out of reach of children and animals.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, elevated humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical load.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), usage must be stopped and the product secured against reuse.
5. The product must be handled with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified specialist.
7. If any questions arise that are not addressed in this manual, please contact our customer service department via email: hurt@innpro.pl, website: <https://innpro.pl/>, or with another specialist.
