

User Manual

DREAME Filter for X60 Ultra/Ultra Complete/Pro Ultra

Description

The filter helps trap dust and fine debris collected during cleaning, supporting the proper operation of the robot. When the existing part becomes worn, simply replace it with a new one to continue using the full capabilities of the Dreame X60 Ultra, X60 Ultra Complete, and X60 Pro Ultra models.

Use in accordance with intended purpose

For safety and certification reasons, the product must not be modified or altered in any way. If the product is used for purposes other than those described, the product may be damaged. Furthermore, improper use may cause hazards. Carefully read the user manual and keep it for future reference. Read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and animals.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical stresses.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), usage should be stopped and the product secured to prevent further use.
5. The product should be handled with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If any questions arise that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another qualified specialist.
