

Portable document scanner

Wireless scan and go

Designed for ultimate flexibility and performance, this battery-powered portable scanner keeps you productive wherever you are. The addition of USB-C connectivity delivers faster charging, universal compatibility, and simplified cable management.

**DSmobile
DS-940DWe**

Key features

- 2-Sided scanning up to 15 pages per minute
- Flexible power with rechargeable battery or via USB-C
- Space-saving 'U-path' paper feed system
- Easily scan A4 documents, receipts and ID cards
- Built-in microSD card reader
- Scan documents wirelessly with Brother Mobile Connect app
- 100% Expanded Polystyrene (EPS) free packaging for easy recycling

Convenient and space-saving

Simplify your everyday setup with a single cable across different technologies and enjoy uninterrupted scanning with faster, more reliable connectivity, wherever you go.

- One-cable setup simplifies connectivity across multiple technologies
- Smart 'U-path' paper feed requires less additional space behind the device
- Built-in battery or power with a powerbank for true portability
- Scan anywhere, anytime, with total flexibility
- Lightweight design makes it easy to take your scanner wherever it's most convenient

Stay effortlessly organised

Using Brother's free Mobile Connect app, you can easily view and share documents from your smartphone or tablet, while the intuitive LED panel keeps scanning simple.

- Scan, save and share on the go
- Mobile access for quick document handling
- Easy-to-use LED controls
- Perfect for compact spaces or field work
- Digitise documents for easier, safer access

Versatile handling, high-quality results

Scan A4 documents to ID cards and receipts, the device is built to handle a wide range of media. A dedicated roller system ensures smooth feeding and consistently high-quality results every time.

With the DSmobile DS-940DWe, effortlessly:

- Convert documents into PDF and other secure, searchable formats for easy storage and reuse
- Scan to email, file or image formats for instant saving and sharing
- Turn scanned text into editable files with OCR technology
- Keep documents straight and correctly aligned with auto deskew and rotation
- Automatically skip unnecessary pages with blank page removal
- Scan to microSD, for capturing and storing files without a PC or mobile device*

* MicroSD card not included

General

Technology

Dual CIS
(contact Image Sensor)

Product Form Factor

Mobile single sheet fed scanner
with U-path paper control
system

Local Interface

USB 3.2 Gen1 / Type-C

Light Source

LED Array

Backup Clock

Yes (via Battery)

Networking

WLAN IEEE 802.11b/g/n
(Infrastructure Mode)
IEEE 802.11g (Wi-Fi Direct)

Control Panel

LED display, LED, Keys

Scan

Scan Speed Standard (A4) Colour and Mono (2-Sided 300dpi)

Up to 15ppm
(pages per minute)
Up to 30ppm
(images per minute)

Optical Scan Resolution

Up to 600 x 600dpi
(dots per inch)

Interpolated Scan Resolution²

Up to 1,200 x 1,200dpi
(dots per inch)

Colour Depth

48 bit colour Processing (Input)
24 bit colour Processing
(Output)

Grey Scale

256 levels (8 bit)

Scanner Driver

Windows^{®4}

TWAIN, WIA
Windows 10, 11, ServerOS
2016 / 2019 / 2022 / 2025

Macintosh

AirPrint Scanning, macOS
14 / 15 / 26

Linux

SANE

Software² for Windows[®]

iPS for Windows PC

iPS - Easy to use scan software
from Brother offering document
workflow management

**Kofax Power PDF
Standard v5**
PDF Editor built to maximise
productivity

Remote Setup

Allows the user to set up the
scanner from their PC

Software² for macOS

iPS for macOS

iPS - Easy to use scan software
from Brother offering document
workflow management

Remote Setup

Allows the user to set up the
scanner from their PC

Scanner Functions²

Supported File Formats

Including TIFF, JPEG, PDF, Secure PDF, High Compression PDF, Searchable PDF, PDF/A-1b

SD Scan

Allows the scanning directly to micro SD cards using a dedicated SD card slot. (Supports 2-32GB)⁵

Attach to Email

Scan documents as an attachment into your E-mail application using dedicated software

Open in Application

Open your scanned document in your preferred image editing software or scan documents directly into your word processing application for instant editing

Save to PC

Scan to a folder on your computer

Greyscale Level Adjustment

When images are difficult to view due to colour density, images can be set lighter or darker as required using custom values

B&W Level Adjustment³

When images are difficult to view due to colour density, images can be set lighter or darker as required using a custom value

Colour Tone Adjustment

Sets colour image quality for Brightness, Contrast, Shadow, Highlights, Gamma

Colour Drop³

Allows you to drop any hue of the red, blue, or green colour in your scanned image

Edge Emphasis³

The higher the level, the clearer the image

Punch Hole Removal³

Produce clean page borders by removing punch hole marks from the scanned image

Character Enhancement³

Increase text definition and density to make it easier to read

B&W Inversion³

The image will scan as inverted (black and white areas are switched)

Auto Deskew

The process of straightening an image that has been scanned at a slight angle

Detect End of Page

Detect end of page and automatically adjusts page size when the length of the document is shorter than the document size selected

Auto Image Rotation³

Documents can be scanned in any orientation. Automatically changing the direction of the document based on the text orientation

Background Processing³

Smooth and remove unwanted colours, creases or shadows from a scan image

Edge Fill³

Determines area and colour of the image frame

Auto Colour Detection

Set the detection level to pre-sort batched documents between colour and black & white

Skip Blank Page

Set the detection level for ignoring any blank pages in your documents by not scanning them

Margin Setting³

You can specify margin size around each side of the scanned image

Continuous Scan

Continues to scan using the same settings when additional pages are added

2 in 1 Scan³

Save 2-sided documents into a single page image file

1 to 2 Scan³

Splitting a page back into single image files with one image per file

Barcode Detection³

Barcode detection allows multiple barcodes and types to be detected simultaneously. A specific barcode location, or type of barcode, can be specified by designating a search area for the barcode or searching by barcode type. To use this function an application that corresponds to the TWAIN barcode detection protocol is required

Carrier Sheet Mode

Supports scanning of up to A3 (fold) and documents

JPEG Compression

JPEG Compression can help you change the data size of an image file

Paper Handling

Media Sizes

Direct Paper Path
Width 50.8 - 215.9mm
Length 86.4 - 1828.8mm

U-path paper control system
Width 74 - 215.9mm
Length 105 - 297mm
Width 74 - 79.38mm (Receipts)
Length 105 - 355.6mm (Receipts)

Media Weights

Direct Paper Path
35 - 270gsm (single paper)
U-path paper control system
52 - 80 gsm (single paper)

Card Size

Plastic Card
(Landscape, Embossed
Face up)
Max Width - 86mm
Max Length - 54mm
Business Card (Landscape
Face up)
Max Width - 89.3mm
Max Length - 51.2mm

Media Thickness

Paper 0.04 - 0.28mm
Plastic Card up to 1.00mm
Embossed face up to 1.24mm

Media Types

Photo, Paper, Card (with
Embossed), Business card,
Receipt

Mobile and Web Connectivity

Brother Mobile Connect²

A Brother app to preview
and scan to a mobile device
running iOS or Android
operating system

Scan to Workflow²

Configure using Brother
iPS and then scan directly to
Dropbox, Google Drive,
iCloud, OneDrive

Supplies and Accessories

Carton Contents

DSmobile machine, Quick setup guide / Product safety guide, USB cable, Warranty

Optional Product

Carrier Sheet 500 times (Pack of 2), Part Number - CS-A3401

Dimensions and Weights

With Carton (WxDxH)

377 x 162 x 76 mm
Europe: 1072g
Nordics: 1156g

Machine Only (WxDxH)

319 x 63.1 x 45.4 mm 699g

Duty Cycle

Maximum Daily

Up to 100 sheets

Maximum Monthly¹

Up to 2,000 sheets monthly scan volume

Environment

Power Requirement

Lithium Battery USB: DC5V, 0.9A (Type-C)

Power Consumption (Scanning)

4.2W (USB 3.0)
4.6W (USB 2.0)

Power Consumption (Ready)

2.3 W (Wi-Fi)
1.6 W (USB)

Power Consumption (Off)

0.11W

Sound Pressure Level

Scanning - 53dB
Ready - Inaudible

Power Off Mode

This enables the scanner to consume less energy when not in use

1. Maximum number of scanned pages per month can be used to compare design durability between like Brother products. For maximum scanner life, it is best to choose a scanner with a duty cycle that far exceeds your scan requirements 2. All supported using downloadable software from the Brother Solutions Centre <http://solutions.brother.com>. Free download from the Brother Solutions Centre <http://solutions.brother.com> 3. Windows Only 4. Windows server support scanner driver only 5. microSD not included

Working with you for a sustainable future

At Brother, our green initiative is simple. We strive to take responsibility, act respectfully and try to make a positive difference to help build a society where sustainable development can be achieved. We call this approach Brother Earth.
