Description

The Conceptronic ETTA14B10 Retractable USB 2.0 Cable provides convenient USB-C charging and data transfer in a compact, space-saving design. It supports USB Power Delivery up to 100W and data transfer speeds up to 480Mbps for compatible laptops, tablets, smartphones and other USB-C devices.

The dual-end retractable mechanism allows the cable to be extended as needed and stored neatly after use, helping reduce cable clutter and tangling. With an adjustable length of up to 1.0m, the ETTA14B10 is ideal for travel, office and everyday use.
