

Powerful cleaning and easy loading solutions

Series 6000 delivers powerful water coverage with multi-angled spray arm. The control panel has easy-to-operate time-based cycle selection whilst the baskets are spacious, with a height-adjustable upper basket.

Product Benefits & Features

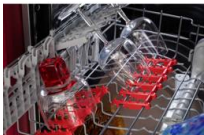

No more thinking about what program to use. Just choose time

No need to choose a program with TimeSelect display. Just decide how soon you want your dishes to be ready and let the dishwasher take care of the rest.

Powerful dishwashing. Without using extra water

SatelliteClean® spray arm thoroughly cleans your dishes with powerful spray coverage. Even closely placed or larger dishes receive deep cleaning no matter where they are loaded. And all without using any more water or energy.

Protection for delicate glassware

SoftSpikes® support and protect delicate glasses. These anti-slip rubber spikes stabilize glasses and mugs to reduce the risk of scratching and chipping. They can also be repositioned and placed where needed.

Sparkling cleaning results combined with hygienic care

ExtraHygiene removes more than 99.9999% of bacteria and viruses*. The final rinse phase heats up to 69°C and keeps the temperature high for at least 10 minutes to sanitize your dishes. Sparkling results combined with hygienic care.

*Tested for Micrococcus luteus and MS2 bacteriophage in external test performed by Swisstat Testmaterialien AG in 2021 (Test Report No. 20212029).

Finishes drying with fresh air

AirDry finishes drying with natural airflow. The door automatically opens towards the end of the cycle, letting room-temperature air into the dishwasher. Up to 3x better drying compared to a closed-door system.

- AirDry: The door opens automatically after the drying phase, ensuring dishes are perfectly dry every time.
- Sensor: Detects the level of dirt and adjusts the time, water and energy consumption.
- Delay start: Up to 24 hours.
- Indicator: Time remaining display.
- Upper basket: Height adjustable for extra flexibility.
- Inverter motor: Yes
- XtraPower option: Extra cleaning power for heavily soiled dishes.
- GlassCare option: Optimal cleaning and protection of delicate glassware.
- SoftSpikes®: Stabilise mugs and glasses to prevent scratching.

Product Specification

Series	6000	Upper Spray Arm Type	Standard spray arm
Energy Rating	C	Lower Spray Arm Type	SatelliteClean
