Wireless Headset Pro Mono ENC

Item no.:

126-58

EAN: 5705730126581

5 Years Warranty

Sandberg Wireless Headset Pro Mono ENC gives you professional sound and full freedom of movement during calls and online meetings. The headset connects easily and wirelessly via a USB dongle, so you can avoid cables and move freely while talking. With the mono-cup, you have one ear free so you can also be aware of colleagues in the office. The noise-canceling ENC microphone ensures clear voice reproduction, even in noisy environments, while the built-in buttons provide direct access to Microsoft Teams: Open Teams, and answer or end calls directly from the headset. The mute function syncs with Teams, so your status is always clear to other meeting participants. It allows simultaneous connection of 2 devices, e.g., PC and mobile. It can also be used directly on Bluetooth devices without the USB dongle.
