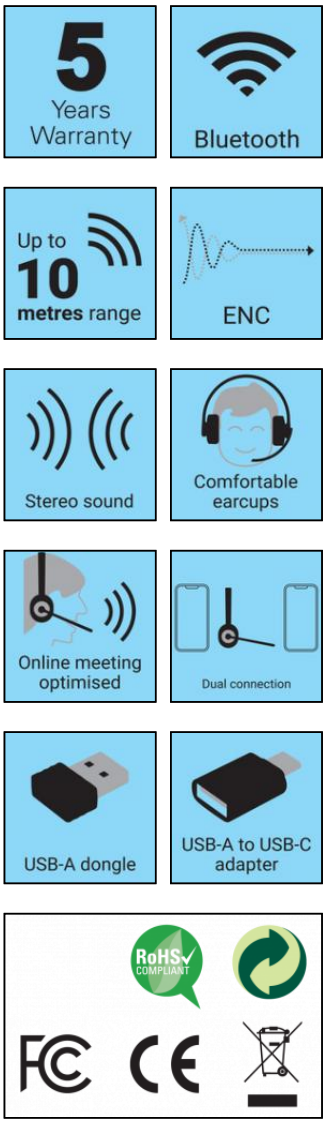
Wireless Headset Pro Stereo ENC

Item no.:

126-59

EAN: 5705730126598



Sandberg Wireless Headset Pro Stereo ENC delivers professional sound and complete freedom of movement during calls and online meetings. The headset connects easily and wirelessly via a USB dongle, so you're free of cables and can move around freely while you talk. The noise-cancelling ENC microphone ensures clear voice transmission, even in noisy environments, while the built-in buttons give direct access to Microsoft Teams: open Teams, and answer or end calls directly from the headset. The mute function syncs with Teams, so your status is always clear to the other meeting participants. Option to connect 2 devices at the same time, e.g. PC and phone. Can also be used directly on Bluetooth devices without the USB dongle.
