Wireless Headset BatterySwap

Item no.:

126-62

EAN: 5705730126628

5 Years Warranty

Sandberg Wireless Headset BatterySwap is a wireless stereo headset designed for long workdays without interruptions. If the battery runs out, just swap it with the included extra battery pack—no waiting for charging. The dual ENC microphone reduces background noise and ensures clear speech, while the 270° rotating microphone arm and mute button provide quick control during calls. The headset easily connects with a USB dongle. The soft ear cushions make the headset comfortable to wear all day. The foldable charging station makes it easy to charge, and along with the foldable headphones, both are easy to store and transport in the included protective pouch.
