

USB-C Charger Nano Display 45W

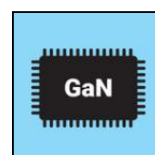

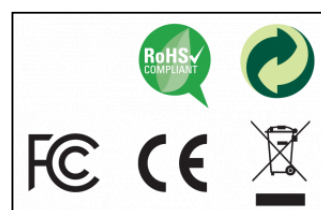

Item no.:

441-86

EAN:

5705730441868

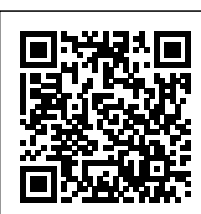

Sandberg USB-C Charger Nano Display 45W is a compact GaN charger with a smart built-in display that shows useful real-time charging information. With up to 45W charging power, it provides fast and efficient USB-C charging for smartphones, tablets, and other compatible USB-C devices. The compact design makes it easy to take with you wherever you need it. A smart everyday charger where you can monitor the charging directly on the display.
