Packing content

1x Diamond Case 3710, 1x USB-C to C cable (10 Gbps, 60 cm), 1x Screwdriver, 60x Screw, 1x 20 V/10 A (200 W) power adapter (DC plug: Ø5.5 x Ø2.1 x L10 mm, DC cable 120 cm), 1x Manual

Universal compatibility across drives and systems

Supports 2.5" SSDs, 2.5" HDDs, and 3.5" HDDs, giving you the freedom to build your ideal storage setup. Designed to work across virtually any environment. Don't worry about system compatibility, just plug in and start hustling.

Installation is a breeze

Built to make setup feel quick and intuitive, Diamond Case 3710 removes the usual friction of drive installation. 3.5" drives click securely into place with a tool-free design, while 2.5" drives fit neatly into a dedicated tray for a stable, reliable hold. Every detail is designed to keep the process smooth and efficient, so you can relish the good feeling of reassurance.

Active cooling with triple fans

With 10 drives running in one enclosure, heat management matters. Diamond Case 3710 uses multiple built-in fans to keep airflow moving and temperatures under control. This helps maintain stable performance and protects your drives during long working sessions. You get a setup that's designed for heavy use, not just light occasional access.
