TOLERATE GLASS PRIVACY IP 18 PRO MAX

SKU: ED220019

Privacy and protection, tailored for iPhone 18 Pro Max

The Tolerate Privacy Glass Screen Protector in tempered glass (10H) is adapted exactly to iPhone 18 Pro Max, the ultimate choice for anyone who wants to protect their screen and their privacy. The screen protector provides reliable protection against scratches and impacts, while the privacy function limits the viewing angle to 28°. Perfect for anyone who regularly handles sensitive information in open environments, at the office, or while traveling.

This product is made from 60% recycled glass, certified under the Global Recycled Standard (GRS). Certified by Control Union, 1427282.

PRODUCT DESCRIPTION

Private viewing, built for iPhone 18 Pro Max

With the built-in privacy technology, you see your iPhone 18 Pro Max screen crystal clear straight on, while curious glances from the side are met with a darkened surface. The viewing angle is limited to 28°, making the protector a natural choice in open-plan offices, on the train, or in other public places, without you having to worry about prying eyes.

Preserves the feel

Despite its strong protection, the Tolerate Privacy Glass Screen Protector is only 0.33 mm thin, which means your iPhone 18 Pro Max's original feel and screen sensitivity are preserved. The oleophobic coating also keeps fingerprints and smudges away, for a clean and smooth surface.

Full protection, tested for durability

The screen protector contains 60% recycled glass. The glass is 10H hardened and scratch tested 10,000 times, protecting your iPhone 18 Pro Max against scratches and damage and extending the device's lifespan. The screen protector is fully compatible with all cases from Tolerate, for optimal and complete protection.

For your business

A screen protector that lasts reduces the number of cracked screens and repeat purchases per device. It's also compatible with Tolerate's case for iPhone 18 Pro Max, making it easy to protect the whole device.

Reduce waste with every purchase

By choosing Tolerate, you say goodbye to traditional blister packaging and instead welcome our smart bulk packaging, made from recycled plastic, the more environmentally friendly alternative. You become an active part of reducing waste and take a step towards a more sustainable future.

Frequently asked questions

Does the screen protector fit my iPhone 18 Pro Max exactly?

Yes, the product is designed specifically for iPhone 18 Pro Max.

Does the privacy protector work together with my phone case?

Yes, the screen protector is compatible with all cases from Tolerate, for complete protection.

How thick is the glass, does it feel different to use the screen?

The glass is 0.33 mm thin and preserves the screen's original feel and sensitivity.

How scratch resistant is the screen protector?

It is 10H hardened glass and has been scratch tested 10,000 times.

Is the product environmentally friendly?

It contains 60% recycled glass, certified under the Global Recycled Standard (GRS). Certified by Control Union, 1427282, and delivered in bulk packaging made from recycled plastic.
