Description

The Conceptronic THANA12G 3-in-1 Magnetic Portable Stand is a compact and versatile solution for laptops, tablets and smartphones. Its multifunctional design allows it to be used as an adjustable laptop or tablet stand, a magnetic desktop phone stand, or a handheld selfie stick for photos and video recording.

The stand supports laptops and tablets up to 16 inches and features 8 height levels for flexible viewing and working positions. The integrated N52 magnetic mount provides a secure hold for compatible smartphones, while the supplied metal ring extends compatibility to non-magnetic devices.

Made from durable aluminum alloy with protective silicone pads, the THANA12G offers stable support while helping protect devices and surfaces from scratches. Weighing only 189g and featuring a compact foldable design, it is ideal for use at home, in the office or while travelling.
