5 Years Warranty

Sandberg Survivor Pocket Worklight Torch is a compact and extra robust light, built for demanding use both indoors and outdoors. The weather-resistant design makes it ready for changing conditions, and with up to 18 hours of light on a single charge, you can rely on it when you need light for longer periods. The light combines a powerful torch with up to 560 lumens, a wide worklight and a red signal light. With a range of up to 150 metres, it is suitable for both close-up tasks and lighting up the path ahead. The built-in magnet and clip make it easy to attach the light, leaving both hands free. Easily recharged via USB-C.
