Space-efficient storage for total food protection
Store more food longer. The AEG 3000 Refrigerator's space-efficient design makes the most of the available space. Temperature stability for total food protection.

Product Benefits & Features

Space-efficient, protects from spoilage
Designed to make the most out of the space, the Refrigerator can fit more food in more conveniently. Maintains temperature stability to protect from spoilage.

Freezer space. In the fridge. Four star compartment
Freeze food safely even in the fridge. The four-star freezer compartment allows you to safely freeze your fresh food down to -18ºC, even inside the fridge. Ideal for efficient freezing of smaller amounts of food or convenience meals.

Audible Door Alarm
The Door Alarm alerts you if your appliance door is left open for certain amount of time, so you can close it promptly.

Manage functions and temperature with Electronic Control
Electronic control gives you the ability to make precise modifications of the temperature and other storage functions. This efficient Refrigerator also gives you instant feedback of your adjustments on the digital control panel.

LED lighting illuminates every corner
The internal LED lighting produces a discreet, soft light, shining evenly across the whole space.

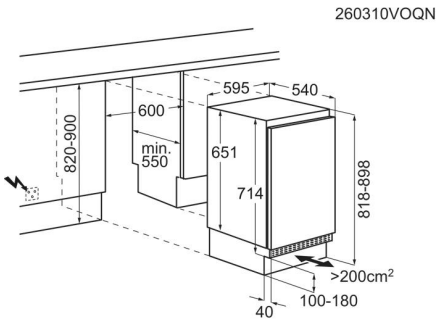

- High temperature alert: Audible & visual.
- Open door alert: Audible.
- Fixed door on door fittings: A cupboard door, matching your kitchen units, can be mounted directly onto the appliance door.
