# Highlights

## Wi-Fi USB Adapter

Enjoy Smart TV wirelessly with the Philips Wi-Fi USB Adapter (PTA01) for Smart TV. Simply insert the adapter to the USB connector at the side of the TV and connect your TV directly to your home network. Navigate to your preferred online content with your TV remote control.

## 2 USB (multimedia)

Two USB slots give access to jpeg photos, mp3 music and video files from most USB-sticks (USB memory-class device). Plug the USBs into one of the slots on your TV and access the multimedia content using the easy on-screen content browser. You can now view and share your videos, photos and music.

## Pixel Plus HD

Pixel Plus HD is a picture processing technology that enables viewers to watch content that is vivid, natural and real. This results in superb lifelike pictures with incredible details and depth from any HD source.

## 200 Hz Perfect Motion Rate

200 Hz Perfect Motion Rate (PMR) creates extreme motion sharpness for clear and vibrant images in fast action movies. The new Philips PMR standard shows the combined visible effect of the fastest panel refresh rate, HD Natural Motion and unique processing formula, for unprecedented motion sharpness and overall picture quality.

## Smart TV Plus

A world of content for you. Control, Programme and Record—watch TV however you want to.

Access a broad selection of apps easily. Use online video stores and Catch-up TV to watch your favourite movies. Browse the open Internet or stay connected with your friends via Facebook and Twitter. Also, pause your TV programme easily—simply connect a USB hard disk to your TV and record digital TV broadcasts.

## Philips MyRemote App

The Philips MyRemote App is a smart app to organise your TV viewing experience around you.

Enjoy a great variety of possibilities: browse through the Programme Guide on your tablet whilst watching TV. Additional features like easy text entry, volume and programme control as well as pushing pictures, videos or music to your TV really turn your smart devices into smart remote controls. Download the MyRemote App now from the iTunes App Store or Android Market.
