

MPN: CABLEEATERTOOLS15

Cable Eater Tools, 15mm

The Cable Eater Tools 15mm Orange (CABLEEATERTOOLS15) offer a simple, effective, and visually appealing solution for cable management. These tools are designed for tidying and organizing cables with a 15mm diameter, helping to eliminate clutter and create a cleaner, more professional workspace. The bright orange color provides high visibility, ensuring cables are easily identifiable. With MicroConnect's 20+ years of expertise, these cable eaters are crafted from premium materials for long-lasting durability. Keep your cables neatly organized and protected with these easy-to-use tools, reflecting MicroConnect's commitment to quality and innovative connectivity solutions at a fair price. They are perfect for home, office, and industrial environments.
