

MPN: CABLEEATERTOOLS20

Cable Eater Tools, 20mm

The Cable Eater Tools 20mm Orange (CABLEEATERTOOLS20) provide a simple and effective solution for cable management. This tool simplifies the process of bundling and organizing cables, allowing for cleaner and more efficient cable routing. Designed for use with 20mm Cable Eater sleeves, this tool ensures a secure and professional finish. The bright orange color aids in visibility and prevents loss. MicroConnect delivers pioneering innovation with this essential cable accessory, ensuring premium quality and streamlined solutions for both home and professional environments. With over 20 years of industry expertise, we understand the importance of reliable and easy-to-use cable management.
