Benefits

Mind-blowing sound

- Dynamic 40 mm neodymium drivers deliver deep, dynamic bass
- Jump from music to calls using the built-in mic and remote control
- Be immersed in beats with over-ear isolating cushions

Prepare for impact

- L-shaped connector enhances cable durability and lifespan
- Quick release cable to prevent breakage

- Super stretchy and tough TR55 headband
- Ultra tough, tangle-free fabric cable

Supreme comfort

- Self-adjusting inner headband dissipates pressure and heat
- Ultra soft leather ear cushions for long-listening comfort

Features

40 mm neodymium drivers

Rock out to high-quality tunes on the go with dynamic 40-mm drivers that deliver crystal clear sound coupled with thumping bass.

Built-in mic and remote control

Jump between music and calls with a flick of your finger using the built-in microphone and remote control. It makes staying connected with your music, and the people who matter, a breeze.

PHILIPS

L-shaped connector

Enjoy music for longer with a reinforced L-shaped cable connector that makes these headphones more durable and longer-lasting.

Over-ear isolating cushions

Be part of the city's buzz but not its noise with over-ear sound isolating cushions. Not only will you enjoy long lasting comfort, these cushions help you hear and enjoy every sonic detail of your favourite tunes.

Self-adjusting inner headband

Stay cool and comfortable with the cleverly constructed, stretchy and lightweight inner headband. Keep your headphones snugly in place no matter how long you wear them.

Super stretchable headband

Twist, stretch and bend the headband without breaking it. Constructed from a high grade nylon TR55 super stretch polymer, these headphones are extremely tough, flexible and ready to stay by your side wherever life takes you.
