EAN: 5705730421679

5 Years Warranty

Sandberg All-in-1 Inflator 150PSI is a smart and powerful electric air pump that makes it easy to maintain the right tire pressure for your car, motorcycle or bicycle. It also handles sports balls and other inflatables using the included adapters. Choose your preferred setting on the digital display and let the pump do the hard work. With a maximum pressure of 150 PSI and a rechargeable battery, you'll always have extra air at hand without needing a power outlet. The built-in LED flashlight comes in handy after dark, while the compact design makes it easy to store in your car or take along on trips. Forget manual pumping and searching for the nearest gas station!
