Keep a close shave

Change heads every 2 years for best results

Every year, your blades travel the height of Mt. Everest ... 10 times! After such a workout, even the best materials can lose their edge. Retain your shaver's peak performance – Replace the heads once every 2 years.

Comfortably close

- Super Lift & Cut shaving technology with dual blade system

Shaves even the shortest stubble

- Precision Cutting System

Highlights

Super Lift & Cut technology

Dual blade system of your Philips shaver: first blade lifts, second blade cuts for a comfortable close shave.

Precision Cutting System

The Philips shaver has ultra thin heads with slots to shave long hairs and holes to shave the shortest stubble.
