VESA MOUNT

### Three-Year Warranty

AOC stands behind the quality of each and every monitor with a generous three-year warranty starting from the original date of purchase. Within the warranty period, any AOC displays with manufacturing defects or faulty components will be repaired or replaced at no additional charge. Read the complete [AOC warranty](#) statement for more information.

### Adjustable Height

Raise or lower the screen to suit each individual's height and seating preferences. The easy-to-adjust stand ensures hours of working comfort.

### Integrated Speakers

Built-in speakers make it easy to catch up with family, friends and colleagues. For movies, music, games and more, you'll enjoy quality audio without the hassle of connecting external speakers.

### Height adjustable stand

We care about your well-being. This is why this monitor offers height adjustment options, which help you find your perfect posture while working, playing or watching videos. Adapting your AOC monitor to your needs not only helps you reduce fatigue and keep your body healthy. In the end it lets you and your team achieve better results in whatever you are doing.

### Kensington Lock

Kensington Lock is an anti-theft system, comprising a metal-reinforced hole in the body of the respective device, to use with a metal cable secured with a key/lock system. Kensington locks enable you to secure your AOC monitor during a LAN event, an organisation, or wherever you carry it.

### Vesa Mount

AOC's Ergo Base stands bring versatility, sturdiness and ease of use in one package. But do you still want to use your wall mount or multi-monitor setup using desk mounts? VESA mounts bring you the uppermost flexibility. Upside-down, in pivot mode, on top of each other, attach your monitor wherever you want using 3<sup>rd</sup> party mounts and stands thanks to the VESA mount option.

General

Model name	E2260PDA
EAN	4038986121910
Product Line	Pro-line
Series	60 Series
Channel	B2B
Classification	Mainstream
Section	Business
Launch date	27-12-2014

Screen

Resolution	1680x1050
Refresh rate	60Hz
Screen size (inch)	22 inch
Screen size (cm)	55.9 cm
Backlight	WLED
Panel Type	TN
Aspect ratio	16:10
Display Colours	16.7 Million
Active Screen Area (HxW)	473,76x296,1 mm mm
Pixel Pitch	0.282
Scanning Frequency	30-83khz/50-76hz
Pixel Frequency	146Mhz
Response time (GtG)	5 ms
Contrast (static)	1000:1
Contrast (dynamic)	50M:1
Brightness (typical)	250 cd/m²
Viewing angle (CR10)	170/160 °
OSD languages	EN, FR , ES, PT, DE, IT, NL, SE, FI, PL ,CZ, RU, KR, CN (T), CN (S), JP

Exterior

Monitor colour	Black
Bezel Type	Normal

Ergonomics
