

# InLine® Digital Multimeter 3 in 1 with RJ45 / RJ11 Cable Tester and Battery Tester

\* Preise inkl. gesetzlicher MwSt. zzgl. Versandkosten

Marke: INL

Bestell-Nr.: 43115

The 3-in-1 digital multimeter has been designed as a combination of the functions of a digital multimeter, a tester for modular and network cables, and for measuring batteries

- DC voltage measurement: 0.1 mV to 1000V
- AC voltage measurement: 0.1 mV to 700V
- AC-/DC current measurement: 0.1µA to 10A
- Resistance measurement: 0.1 Ohm to 200 MOhm
- Diode test
- Beeper
- Cable assignment testing for short circuits, faulty wiring, wire replacement, split pairs, shielding
- Battery tester: For batteries with 1.5/6/9V voltage
- Backlight display with 3.5 digits
- Power supply: 9V battery
- Safety: CAT II 1000V / CAT III 600V IEC1010-1
- Operating temperature: 0 to 40°C
- Dimensions: 180 x 85 x 44 mm
- Weight: 360g
