Marketing

Extended retailer text	Looking for a space saving desktop set solution? The Trust Nola Wireless Keyboard with Mouse is your set to get work done. Connect via the wireless Bluetooth receiver and you can focus on the task before you, at home, or at the office. Multimedia control The keyboard features 13 multimedia keys for your convenience. You can easily go to your home screen, start an

internet search or play your favourite music! The keyboard also contains a built-in numeric pad for convenient access to your numeric keys. Ideal to maximize your productivity as you are able to use all the necessary keys within reach. In addition, the keyboard is spill-resistant which makes the Nola keyboard ideally suited for every workspace!

Set to work

The Nola wireless mouse is a compact and comfortable plug and play mouse made for left as well as right-handed users. Experience the convenience of a wireless mouse and keep your desk clean of wires. Besides that, the mouse contains a scroll wheel to easily control your desktop or laptop applications.

Effortlessly wireless

You will enjoy the Nola set even more once you know only one USB micro-sized receiver with 8m wireless range is enough to connect both devices to your pc or laptop. The micro-sized USB receiver will take less space and allows free access to other USB ports, so there is always enough space to connect other devices to your laptop.
