

MPN: MO-C-S311213CL20

SFP 1.25 Gbps, SMF, 20 km, LC, Compatible with Cisco GLC-LH-SM, GLC-LH-SM=

EET has expanded the offerings to support a wide range of optical transceivers ranging from GBIC to XFP. All of the products comply with MSA and environmental standards.

Why 3rd party transceivers?

OEM's such as HP, Cisco, 3Com (HP) and many others don't make any transceivers themselves but relabel standard products and add huge margins. We have decided to give our customers a choice. Buy original or save up to 60 % and get high quality products with:

- 100% Compatibility.
- Availability from our extensive stock.
- High Quality - all products are tested.
- Huge savings on quality alternatives to "originals".

Buying MicroOptics Transceivers from EET Nordic does not mean your equipment warranty is void. This 100% Cisco compatible 1000 BASE LH/LX SFP transceiver is hot-swappable and designed to plug directly into your SFP/GBIC interface slot in your router and switch for Ethernet & Fibre Channel network interface applications.

- ****100% Cisco Compatible****

Specifications

Features	Certification	MSA
	Compatible products	Cisco GLC-LH-SM=
	Easy to install	Yes
	Plug and Play	Yes
	RoHS compliance	Yes
Operational conditions	Operating temperature (T-T)	-45 - 75 °C
	Storage relative humidity (H-H)	10 - 85 %
	Storage temperature (T-T)	-40 - 85 °C
Packaging data	Number of products included	1 pc(s)
Performance	Digital Diagnostics Monitoring (DDM)	Yes
	Duplex system	Full
	Fiber optic connector	LC
	Fiber ports quantity	1
	Maximum data transfer rate	1250 Mbit/s
	Maximum transfer distance	10000 m
	Multi-mode fiber (MMF) supported	No
	SFP transceiver standard	LH, LX
	SFP transceiver type	Fiber optic
	Single-mode fiber (SMF)	Yes

Performance	supported	Yes
	Wavelength	1310 nm
Vendor information	Brand Name	Lanview
	Warranty	3 Year(s)
Weight & dimensions	Package type	White Box
