

**Philips**

docking speaker

- with 30-pin connector
- for iPod/iPhone
- USB port for charging
- 6 W

DS1150/05

## Sound that fits your home

Obsessed with sound

Delivering surprisingly full and rich sound, this compact docking speaker automatically synchronises with your iPod/iPhone's clock settings. Enjoy an adjustable night light and the convenience of charging a second mobile device via USB.

### Benefits

#### Surprisingly rich sound

- Shielding technology to block mobile phone interference
- Rich omni-directional sound to fill your bedroom
- 4 W RMS total output power

#### Elegant and compact

- 360-degree design for gorgeous look from any angle
- Elegant and compact design to fit on any bedside table

#### Designed for your bedroom

- Auto clock synchronisation with iPod/iPhone when docked
- Charge your second mobile device via USB
- Dock any iPod/iPhone, even in its case
- Free DockStudio app for Internet radio and other cool features
- Soft glow night light

### Features

#### Auto clock synchronisation

When connected and docked, this docking station will automatically synchronise the clock with your iPod/iPhone.

**PHILIPS**

#### Dock iPod/iPhone in its case

Smartly designed spring-loaded docking port effortlessly accommodates any iPod or iPhone, without special adapters. What's more, it works even when most protective cases are on – just dock your iPod or iPhone as it is. Now you can truly have fuss-free enjoyment of your music.

#### DockStudio app on App Store

The free app adds an array of exclusive cool features to your docking speaker. You can check the weather, tell the time and even use your favourite images as wallpaper. DockStudio also lets you listen to thousands of Internet radio stations worldwide. More updates on skin styles and new functions on the way.
