# The best water for a tastier coffee

Freshly filtered water for an intensive aroma

Intenza+ is an innovative water filter cartridge specially developed for optimum machine protection during water filtering, which results in clearer and tastier filtered water for complete coffee enjoyment.

### Benefits

#### Intensive coffee aroma

- Freshly filtered water for a better coffee aroma
- Adjustable water filter settings

#### Reliable machine protection

- More efficient brewing process
- Protects your system against limescale build-up

#### Prolong lifetime

- Cleaner water prolongs the life of your espresso machine

#### Ready to use

- Click & go system

#### Compatibility guide

- See our compatibility guide for details

## Features

### Intensive coffee aroma

Water is crucial for every espresso so it's most important to have it professionally filtered. The Gaggia Intenza+ co-developed with Brita does this very easily and conveniently prevents limescale buildup. The result: perfect water conditions for the most intensive espresso aroma.

### Adjustable filter settings

The water filter settings can be adjusted to the hardness of your water. Simply turn the adjustment ring on the Intenza+ water filter. Set it to A for soft water areas, B for medium water hardness (factory setting) or C for hard water. This will ensure optimal limescale protection and the best taste.

### Efficient brewing process

The water filter ensures a constant brewing temperature and consistent pressure during the brewing process, enhancing your espresso machine's performance.

### Reduces limescale

The INTENZA+ water filter helps protect your machine against the build-up of limescale from tap water, which affects the taste and aroma of your coffee.

### Longer lifetime

The water filter extends the lifespan of your espresso machine, ensuring you can enjoy the best-tasting coffee for longer.

### Click & go system

The water filter cartridge easily clicks into the water tank and is ready to use in less than 30 seconds.

### Compatibility guide

Compatibility with: Brera range, Platinum range, Accademia, Baby range, New Espresso range, Gran Gaggia

## Specifications

Please note that this is a pre-sales leaflet. The contents of this leaflet reflect the best of our knowledge per date and country mentioned above. The contents of this leaflet are subject to change without notice. Philips does not accept any liability as to the contents of this leaflet.

### Packaging

Quantity 1 water filter cartridge

Harmonised Systems Code 842121

### Packaging dimensions

Height 14.00 cm  
Width 7.10 cm  
Depth 6.10 cm  
Net weight 0.09 kg  
Gross weight 0.12 kg  
EAN 08012335000190  
Number of products included 1  
Country of origin DE

### Outer Carton

Length 22.60 cm  
Width 38.10 cm  
Height 0.83 cm  
Gross weight 4.47 kg  
EAN 08012335000206  
Number of consumer packages 36
