## Powerful sound for any TV

with subwoofer

Don't judge by its size, because this small soundbar packs a lot of punch! No more muffled dialogues with 2 dedicated tweeters. DoubleBASS and Virtual Surround Sound technology add excitement and surround sound to the movie.

#### Designed for simplicity

- Ultra-compact soundbar—just 70 cm/28" wide
- Low-rise profile for the perfect fit in front of your TV

#### Richer sound for watching TV and movies

- Dolby Digital for ultimate movie experience
- DoubleBASS technology for fuller and deeper bass
- Virtual Surround Sound for a realistic movie experience
- Separate subwoofer adds a thrill to the action

#### Connect and enjoy all your entertainment

- Works with TVs, BD/DVD players, gaming consoles, MP3 players
- Enjoy music from iPod/iPhone/iPad with Music iLink

# PHILIPS

## Highlights

### Virtual Surround Sound

Philips Virtual Surround Sound produces rich and immersive surround sound from a less than five-speaker system. Highly advanced spatial algorithms faithfully replicate the sonic characteristics that occur in an ideal 5.1-channel environment. Any high quality stereo source is transformed into true-to-life, multi-channel surround sound. No need to purchase extra speakers, wires or speaker stands to appreciate room-filling sound.

### Dolby Digital

Because Dolby Digital standards, the world's leading digital multi-channel audio standards, make use of the way the human ear naturally processes sound, you experience superb quality surround sound audio with realistic spatial cues.

### DoubleBASS technology

DoubleBASS ensures you hear even the deepest bass tones from compact-sized subwoofers. It captures low frequencies and recreates them in the audible range of the subwoofer - delivering sound with more boom and panache, and ensuring you get a full, uncompromised listening experience.

### Music iLink

Philips Music iLink allows you to easily play your music directly from your iPod/iPhone/iPad, MP3 player or laptop via a simple connection to your home theatre. Simply connect your audio device to the Music iLink jack to enjoy your music with the superior sound quality of the Philips home theatre.

## Specifications

### Accessories

- Compatible accessories: Screw x 2, Wall plug x 2
- Included accessories: 1 x CR2025 Battery, Power cord, Quick start guide, Remote Control, Safety and Legal Leaflet, Trademarks Sheet, World Wide Warranty leaflet
