Features

choose among 64 colors

Select your own favorite color out of the 64 different color options.

PHILIPS

automatic color changing mode

Just push the on/off button for 5 seconds and let the Philips LivingColors Micro LED lamp do all the work, showing you the whole range of colors.

light output 50 lumen

With the LivingColors Micro, which has a light output of 50 lumen, you can have a nice ambiance impact with a smaller, easy-to-place product. Just place the LivingColors Micro wherever you like and point it towards a light-colored wall to get the full experience.

on-product control

By touching and swiping the color strip on the product, you can very easily select every color you like.

nice diffused light effect

All the different colors of the Philips LivingColors LED lamp blend naturally into your interior because of the diffused light effect.
