

MPN: MMG2406/8GB

## 8GB Memory Module NON-ECC, DDR3 PC3 12800, 240PINS, DIMM

In CoreParts you will find a wide range of alternative RAM modules all using original chip sets, that match the performance of your original RAM modules with different sizes, and capacities, manufactured by high-end, certified and trusted suppliers.

- High Quality
- Tested and certified
- Matching Performance
- Reliable with 10 years Warranty

## Specifications

|                        |                                   |                |
|------------------------|-----------------------------------|----------------|
| Features               | CAS latency                       | 11             |
|                        | ECC                               | No             |
|                        | Internal memory                   | 8 GB           |
|                        | Internal memory type              | DDR3 PC3 12800 |
|                        | Memory clock speed                | 1600 MHz       |
|                        | Memory form factor                | 240PINS DIMM   |
|                        | Memory layout (modules x size)    | 1 x 8 GB       |
|                        | Memory type                       | PC3-12800      |
|                        | Memory voltage                    | 1.5 V          |
|                        | Module configuration              | 512M x 8       |
|                        | Product colour                    | Green          |
| Operational conditions | Operating relative humidity (H-H) | 10 - 80 %      |
|                        | Operating temperature (T-T)       | 0 - 85 °C      |
|                        | Storage relative humidity (H-H)   | 10 - 80 %      |
|                        | Storage temperature (T-T)         | -25 - 95 °C    |
| Other features         | Capacity                          | 8 GB           |
|                        | Chips organisation                | 512*8          |
|                        | Number of pins                    | 240            |
| Vendor information     | Brand Name                        | CoreParts      |
|                        | Warranty                          | 10 Year(s)     |
