

MPN: MMG2450/4GB

## 4GB Memory Module ECC/REG, DDR3 PC3 12800, 240PINS, DIMM

In CoreParts you will find a wide range of alternative RAM modules all using original chip sets, that match the performance of your original RAM modules with different sizes, and capacities, manufactured by high-end, certified and trusted suppliers.

- High Quality
- Tested and certified
- Matching Performance
- Reliable with 10 years Warranty

## Specifications

|                        |                                   |                       |
|------------------------|-----------------------------------|-----------------------|
| Features               | Buffered memory type              | Registered (buffered) |
|                        | CAS latency                       | 11                    |
|                        | ECC                               | Yes                   |
|                        | Internal memory                   | 4 GB                  |
|                        | Internal memory type              | DDR3 PC3 12800        |
|                        | Memory clock speed                | 1600 MHz              |
|                        | Memory form factor                | 240PINS DIMM          |
|                        | Memory layout (modules x size)    | 1 x 4 GB              |
|                        | Memory type                       | PC3-12800             |
|                        | Memory voltage                    | 1.5 V                 |
|                        | Module configuration              | 256M x 8              |
|                        | Product colour                    | Green                 |
| Operational conditions | Operating relative humidity (H-H) | 10 - 80 %             |
|                        | Operating temperature (T-T)       | 0 - 85 °C             |
|                        | Storage relative humidity (H-H)   | 10 - 80 %             |
|                        | Storage temperature (T-T)         | -25 - 95 °C           |
| Other features         | Capacity                          | 4 GB                  |
|                        | Chips organisation                | 256*8                 |
|                        | Number of pins                    | 240                   |
| Vendor information     | Brand Name                        | CoreParts             |
|                        | Warranty                          | 10 Year(s)            |
