

Philips

Jamie Oliver Hand blender

- 650 W
- Metal bar
- Chopper and 1 accessory

HR1680/01

Simple, quick and effective

With innovative ProMix blending technology

"Being handheld means it can be used to blend directly in your pan, whether it's a pot or even a deep roasting tray for the perfect gravy. It's perfect for soups or for whizzing small batches of anything from salad dressings to pesto" Jamie O.

Benefits

Hand blenders don't need to be complicated

- Whisk accessory for whipping cream and mayonnaise
- Powerful 650-W motor with power and turbo buttons
- Chopper to chop onion or prepare pestos

It's a great kitchen shortcut

- 1.0-l beaker with lid keeps smoothies and batters fresh
- Helps to prepare anything from salad dressings to pesto

A cleverly designed range of kit

- Innovative ProMix technology for best results
- Long-lasting, titanium-coated blade
- Dishwasher-safe accessories

PHILIPS

Features

1.0-l beaker

This beaker is really useful when preparing homemade sauces, pancake batters or smoothies with your hand blender. If you don't finish the batch in one go, pop on the lid and keep it in the fridge for later. It couldn't be easier!

Innovative ProMix technology

The innovative ProMix technology represents the ultimate in speed and efficacy, to deliver only the finest and evenly cut results.

Exclusive Jamie Oliver recipes

Each product in the range of Jamie's Tools by Philips Jamie Oliver comes with exclusive recipes from Jamie to help prepare a range of easy, fresh dishes that all the family will love.

Whisk accessory for whipping

This accessory attaches easily to your hand blender top. It is useful when preparing fluffy whipped cream and homemade mayonnaise. After use, remember to take out the whisk, which can be cleaned in the dishwasher. The connecting section should be wiped clean and not be put in the dishwasher.

Long lasting, titanium coated

The ultimate helping hand in the kitchen, the new Philips Jamie Oliver hand blender features a strong, titanium-coated blade, which ensures it stays sharper for much longer.

Powerful 650-W motor

The ultimate helping hand in the kitchen, the new Philips Jamie Oliver hand blender features a strong 650-W motor with a simple "on/off" button as well as a turbo button, ensuring that busy families can enjoy fresh, healthy food every night of the week.

Jamie's Tools

"For me, it's about encouraging more people to enjoy cooking and to feel as comfortable and confident as possible using this kit. And, ultimately, I set out to design a range that I would be genuinely happy to have and use in my own kitchen. Every piece of kit from the Jamie's Tools range by Philips Jamie Oliver has a splash of lovely cornflower blue, the colour I chose to match the clean retro shapes we've used. This stuff is meant to be shown off, not hidden away in cupboards."

Chopper attachment

This compact chopper stands sturdy on any kitchen counter and is useful when chopping smaller quantities of onions, herbs or cheese. Homemade pestos and salsas are also really simple to make and add a completely fresh touch to your meals. After use, the knife and chopper detach easily for cleaning in the dishwasher. The top connecting lid can be wiped clean and should not be put in the dishwasher.

Dishwasher-safe accessories

We know that you want to spend your time preparing, cooking and enjoying food rather than washing up! The accessories in the Philips Jamie Oliver range are therefore dishwasher safe.

Helps to prepare anything
