Highlights

Reversible shredding disc

Cooking delicious meals for friends and family doesn't have to be time consuming. This reversible shredding disc ensures that onions, carrots, courgettes and potatoes are grated in seconds. Useful for curries, salads, stews and gratins - and maybe a great way to bring more vitamins and fibre into your diet!

Metal double balloon beater

The double metal balloon beater creates fluffy egg whites and perfectly whipped cream. For best results, use speed 1, which ensures the fluffiest results. Creating delicious desserts has never been easier!

Innovative serrated knife

Busy parents can now treat their children (or themselves) to healthy frozen desserts. This innovative serrated knife makes instant "ice lollies" from frozen berries, yoghurt and honey

in a matter of seconds. Thanks to the serrated edges, crushing ice cubes is quick and simple too.

Powerful 1000 W motor

Thanks to its strong and powerful 1000 W motor, this food processor can slice, shred, blend, knead, juice and whip almost any ingredient quickly - with almost no effort from you!

Adjustable slicing disc

"We all lead increasingly busy lives, so saving time in the kitchen while still putting tasty and nutritious food on the table is incredibly important. I want busy parents to feel as comfortable as possible using the new Food Processor, which will give back some extra special time to spend with family or friends by reducing meal preparation time." This slicing disc is easily adjusted to enable a variety of different thicknesses of apples, potatoes or other ingredients.

Citrus juicer for fresh orange

This accessory is ideal for extracting fresh juice from all types of citrus fruit such as oranges and grapefruit.
