## Giving light a new experience

to your home office lighting

Graceful lines and an elegant white colour describe this minimalistic Philips Ledino table light. It has an on/off switch and casts powerful warm white LED light. Its unusual shape brings a modern look into your home.

### Benefits

#### Elegant design meets innovative technology

- Fusion between light and design

#### High-quality light

- Warm white light
- High light quality with strong light output

#### Sustainable light solutions

- Extremely long operating life
- Saves up to 80% energy

#### Special characteristics

- On/off switch on article

### Features

#### Light and design

This design lamp has light with a minimalist essence that defies traditional boundaries, creating light and light forms of inspiring purity and beauty.

**PHILIPS**

#### Warm white light

This light uses the very latest lighting technology by Philips with the new warm white state-of-the-art high power LEDs providing a glow of light with a colour temperature of 2700 Kelvin.

#### High light quality

An LED lighting module of 7.5 W produces the equivalent light output as a 40 W incandescent lamp (350 Lumen). Save energy with strong light output.

#### Extremely long operating life

A light source you can trust. Philips LED lights offer an extremely long life of at least 20.000 hours (which equals 20 years on basis of an average use of 3 hours a day with an amount of at least of 13.000 on/off switching cycles). With the Philips LED lights you won't have to worry about maintenance or lamp replacement while having the perfect light ambience in your home.

#### Saves up to 80% energy

The LED lighting technology used in Philips lighting fixtures is highly energy-efficient (7.5 W module produces 350 Lumen). As a result, every lighting fixture conserves energy, helping consumers to save money on their electricity bills and contribute to preserving the environment. For home lighting that's energy-efficient and provides great light in a range of contemporary designs, look for Philips LED products.

#### On/off switch on article

With the button discreetly integrated into the article, you can easily switch the light on and off.

## Specifications

Please note that this is a pre-sales leaflet. The contents of this leaflet reflect the best of our knowledge per date and country mentioned above. The contents of this leaflet are subject to change without notice. Philips does not accept any liability as to the contents of this leaflet.

#### Design and finishing

Material	metal
Colour	white

#### Product dimensions and weight

Height	47 cm
Length	19.4 cm
Width	49.8 cm
Net weight	1.260 kg

#### Technical specifications

Mains power	Range 220 V–240 V 50-60 Hz
Bulb technology	LED Safety Extra Low Voltage
Number of bulbs	1
Wattage bulb included	7.5 W
Maximum wattage replacement bulb	7.5 W
Light colour	2700K warm white
Lamp lifetime up to	20,000 hrs
Beam angle	85°

IP code	IP20 protection against objects bigger than 12.5 mm no protection against water
Class of protection	II - double insulated

#### Service

Warranty	2 year(s)
----------	-----------

#### Packaging dimensions and weight

Height	49.1 cm
Length	51.8 cm
Width	20.8 cm
Weight	2.160 kg

#### Miscellaneous

Especially designed for	Living Room and Bedroom
Style	Modern
Type	Table lamp
