Highlights

0.5 W High Power LED

LED is up to 5 times brighter, makes the battery life last up to 10 times longer and LEDs produce up to 50,000-100,000 hours of light, compared to a standard krypton bulb.

3 white LEDs and 1 red LED

Equipped with 3 white LEDs and 1 night vision red LED for amazing brightness and total lighting versatility.

Swivel adjustment

The swivel adjustment is designed to provide you with an accurate aim, directing the light exactly where you need it.

Shock resistant housing

The solid and robust housing of this torch is specially designed to prevent damage caused by shocks, hence ensuring your torch performs at its best.
