# Highlights

## 40mm neodymium drivers

Get into your groove with music that packs a solid punch, thanks to powerful 40mm neodymium drivers that pump out mega deep and dynamic bass. Your ActionFit headphones are designed to fuel your workout performance – no matter how demanding. Experience a vividly moving sound experience, whatever your workout and wherever you go.

## Detachable & washable cushions

Go ahead and sweat it out – your ActionFit SHQ5200 headphone feature unique ear cushions that are covered by a moisture wicking fabric that keeps you comfortable, cool and dry throughout your workout. Just detach the cushions for a wash after several uses and they'll be as good as new.

## Non-slip headband

The ActionFit SHQ5200 headphones feature a specially designed headband that fits securely throughout your toughest workout. Its non-slip headband is built with an innovative silicon grip that ensure sufficient contact points on your head, preventing any side-slips or front-back pendulum effects while you move freely during your workout.

## Open acoustic design

For your safety, your ActionFit headphones allow you to be aware of your environment – especially when exercising outdoors. Its open acoustic platform lets you discern what is happening around you while still enjoying your music fully.

## Snug-fit headband

Your ActionFit headphone features a discreetly designed snug-fit headband with ergonomic ear cups that are stringently tested to fit all ears – no matter what shape and size – comfortably and perfectly.

## Ultra light 99gm

Weighing in at a lean 99gms, the ActionFit SHQ5200 is one of the lightest headphones on the market. Its efficiently engineered architecture features individual parts that are specifically designed to achieve a precise balance of ergonomic structure and comfortable weight. The headband frame is made of high-grade polypropylene, ensuring a consistently firm grip and discreetly stylish fit.

- Connector: 3.5 mm
- Finishing of connector: gold-plated

## Accessories

- Included: protective pouch

## Packaging dimensions

- Packaging dimensions (W x H x D):  
19.5 x 22.5 x 7.5 cm
- Nett weight: 0.122 kg
- Gross weight: 0.258 kg
- Tare weight: 0.136 kg
- EAN: 69 23410 71939 0
- Type of shelf placement: Both
- Number of products included: 1
- Packaging type: Carton

## Outer Carton

- Outer carton (L x W x H): 24.5 x 21 x 22.8 cm
- Nett weight: 0.366 kg
- Gross weight: 1 kg
- Tare weight: 0.634 kg
- GTIN: 1 69 23410 71939 7
- Number of consumer packagings: 3

## Product dimensions

- Product dimensions (W x H x D):  
14 x 19.2 x 5.6 cm
- Weight: 0.102 kg

## Sound

- Acoustic system: Open
- Diaphragm: PET
- Frequency response: 18 - 21 000 Hz
- Magnet type: Neodymium
- Sensitivity: 101 dB
- Speaker diameter: 40 mm
- Maximum power input: 40 mW
- Impedance: 32 ohm
