- Handy 0.6m USB cable for easy recharging via your PC
- Bluetooth-enabled wireless music & call control convenience

Works with all Bluetooth-enabled devices

- Supports Bluetooth 3.0 HSP/HFP/A2DP/AVRCP mobile devices

PHILIPS

Highlights

40mm neodymium drivers

Looking to enjoy richer, more detailed sound from your headset? Ultra-compact yet incredibly strong, our 40mm neodymium drivers generate an incredibly powerful magnetic field. The impressive end results are subtler vocal shadings and richer bass responses that add unexpected new dimensions to tunes you thought you knew inside out.

Echo and noise reduction

Advanced echo and noise reduction for crystal clear calls

Noise isolation cushions

Over-ear noise isolation cushions to keep your music yours

Fully adjustable headband

Fully adjustable headband to fit every head size

Over-ear leather cushions

Your Philips headset comes complete with soft leather over-ear cushions which hug the contours of your ears so effortlessly and securely you'll soon forget you have them on! You won't only enjoy a totally comfortable wearing experience regardless of the shape of your head but also an incredibly effective seal. What more immersive way to lose yourself in hour-after-hour of music totally free of distraction.

Choice of Bluetooth or corded

Letting you take your pick of not only Bluetooth wireless but also 3.5mm plug-in musical playback, our new Bluetooth headset really does offer you the best of both worlds! Simply pair up your headset with any Bluetooth-enabled device to enjoy wireless listening pleasure at its crystal-clear best. Alternatively, just plug in the cable to the 3.5mm jack to enjoy the same deeply enriching immersive listening experience. Choice is yours!

Handy 0.6m USB charging cable

Handy 0.6m USB cable for easy recharging via your PC

Wireless music & call control

When it comes to endless music listening pleasure and hassle-free switching between music and calls, simply nothing beats Bluetooth! To enjoy your favorite hits, simply pair up your Philips headset with your Bluetooth-enabled smart phone or tablet. A tap on each earshell's intuitive control is all that's then needed to lower volume or pause a song while you handle incoming and outgoing calls.

Bluetooth 3.0

Supports Bluetooth 3.0 HSP/HFP/A2DP/AVRCP mobile devices
