- Sleek and discreet designs
- Premium material, built to last
- Easy lamp replacement

### **Sustainable light solutions**

- Extremely long life
- Saves up to 80% energy

**PHILIPS**

# Highlights

## Easy lamp replacement

The extra twist to SmartSpot energy saving recessed spots: the magnetic cover plate to ensure an extra easy lamp replacement, when required after some years.

## Extremely long life

Long-lasting lamp life, up to 10,000 hours in use.

## Fabulous flexibility

Philips SmartSpot is an advanced light source that puts you in full control of your home lighting. Many pieces rotate freely, allowing you to direct the light to where you need it most.

## Premium material

Philips SmartSpot lighting fixtures are constructed from high quality materials like die-cast aluminium.

## Saves up to 80% energy

Every Philips SmartSpot lighting fixture conserves energy, helping you to save money on your electricity bills and do your bit for the environment.

## Sleek and discreet designs

These modern lamps with recessed styles are sleek and discreet, and fit perfectly into ceilings with no jutting edges or awkward shapes to distract from the décor of your room.

## Diffused warm white light

This light uses the latest energy-saver lamp technology by Philips to provide a flood of warm white natural light. Its diffused light will illuminate your room with warm white light, allowing you to combine functionality and respect for the environment. Diffused light is perfect for general illumination.

## Warm white light effect

SmartSpot uses the latest energy-saver lamp technology to provide a flood of warm white natural light.
