The smart combination of light and design

This beautiful ceiling light disc brings light to your ceiling in a superb way. It uses halogen lighting for brilliant, sparkling light that brings a room to life.

Benefits

Your home under the spot light

- Dimmable
- Fabulous flexibility
- Brilliant high-quality light

Sleek designed recessed spots

- Premium material, built to last

- Sleek and discreet designs

Sustainable light solutions

- Lifetime up to 4000 hours
- Saves up to 40% energy

Features

Dimmable

Adjustable light intensity with dimmer switch. This makes Philips SmartSpot lighting fixtures ideal for highlighting a feature or creating an ambience for any

occasion, whether a cosy meal à deux or chilling out with family and friends in your living room or offering functional light in corridors for example.

PHILIPS

Fabulous flexibility

Philips SmartSpot is an advanced light source that puts you in full control of your home lighting. Many pieces rotate freely, allowing you to direct the light to where you need it most.

Long lifetime

Halogen bulbs last up to 4000 hours.

Premium material

Philips SmartSpot lighting fixtures are constructed from high quality materials like die-cast aluminium.

Saves up to 40% energy

This light conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Sleek and discreet designs

These modern lamps with recessed styles are sleek and discreet, and fit perfectly into ceilings with no jutting edges or awkward shapes to distract from the décor of your room.

Brilliant high-quality light

Philips halogen lamps offer brilliant light to highlight features or create a nice ambience in your room.
