- Up to 30% more vision on the road\*

### Original Equipment manufacturer

- Philips is the choice of major car manufacturers

# PHILIPS

car headlight bulb  
H1 55 W, 12 V

# Highlights

## Greater safety and comfort

Our Vision upgrade headlight bulbs produce a longer light-beam projection for greater safety and comfort.

## Car manufacturer choice

For 100 years, Philips has been on the forefront of the automotive lighting industry, introducing technological innovations that have become standard on modern automobiles. Today, one in two cars in Europe and one in three worldwide is equipped with Philips lighting

## High quality quartz glass

UV-Quartz glass is stronger than hard glass and highly resistant to temperature extremes and vibrations, which eliminates the risk of explosion. Philips quartz-glass lamps (filament 2 650° C and glass 800° C) are able to withstand severe thermal shock. With the capability of increased pressure inside the lamp, UV-quartz glass is able to produce a more powerful light

## Resistance against humidity

Only a burning bulb made of quartz glass (filament 2650°c, glass 800°c) can resist thermal shocks : if a drop of cold water touches the hot bulb, which can happen when you drive through water with a broken headlight unit.

## Original equipment quality

For over 100 years, Philips has been on the forefront of the automotive lighting industry, introducing technological innovations that have become standard on modern cars. Today, one in three cars worldwide is equipped with a Philips light source.

# Specifications

## Marketing specifications

- Expected benefits: More light
- Product highlight: Up to 30% more vision

## Product description

- Application: High beam, Front fog light, Low beam
- Base: P14,5s
- Designation: H1 Vision
- Homologation ECE
- Marking ECE: E1 21P
- Range: Vision
- Technology: Halogen
- Type: H1

## Lifetime

- Life time: 400h

## Light characteristics

- Lumens: 1690 +5% -7% lm
- Color temperature: Up to 3200 K

## Electrical characteristics

- Wattage: 55 W
- Voltage: 12 V

## Ordering information

- Order entry: 12258PRB1
- Ordering code: 47516930

## Packaging Data

- Packaging type: B1
- EAN1: 8711500475169
- EAN3: 8711500475176

## Packed product information

- Width: 9.5 cm
- Height: 13.5 cm
- Net weight per piece: 6.255 g
- Gross weight per piece: 22 g
- Length: 2.568 cm
- Pack Quantity / MOQ: 10
- Pack Quantity: 1
- MOQ (for professionals): 10

## Outerpack information

- Length: 19.5 cm
- Width: 15.3 cm
- Height: 11 cm
- Gross weight per piece: 0.22 kg
