

D1S 85V 35W

85415VIS1

Feel safe, drive safe

Ideal for replacement

Philips Xenon Vision replaces a single burned-out lamp while matching the color of the unchanged one thanks to it's new single-lamp replacement technology. Therefore it is the ideal replacement lamp and it's economical too!

The reference in case of xenon lamp replacement

- Replace one by one
- Xenon Vision perfectly matches the unchanged Xenon lamp

Xenon quality and ultra resistant car lamp

- Philips is the inventor of Xenon HID technology
- Philips car lamps are highly UV resistant
- Philips car lamps are made of high-quality quartz glass
- Philips car lamps are highly resistant against humidity

Original Equipment manufacturer

- Philips is the choice of all major car manufacturers
- Award winning car lamp manufacturer
- Respecting high quality standards of the ECE homlogation

Highlights

Car manufactuer choice

For 100 years, Philips has been on the forefront of the automotive lighting industry, introducing technological innovations that have become standard on modern automobiles. Today, one in two cars in Europe and one in three worldwide is equipped with Philips lighting

ECE homlogation

Philips Automotive is dedicated to producing best-in-class products and services in the Original Equipment Manufacturer market as well as in aftermarket. Our products are manufactured from high-quality materials and tested to the highest specifications to maximize the safety and driving comfort of our customers. Our entire production is meticulously tested, controlled and certified (ISO 9001, ISO 14001 and QSO 9000) to the highest ECE requirements

Rewarded Car lamps

Our lamps are often rewarded by automotive experts

Economical choice

Thanks to it's single lamp replacement technoology Xenon Vision allows you to change your bulbs one by one while matching the color temperature of the unchanged lamp. It is the most economical choice for lamp replacement.

Original Xenon technology

Xenon HID (High Intensity Discharge) lamps offer twice as much light for safer driving in all conditions. As a matter of fact, the intense white light produced by the Xenon HID lamps is comparable to daylight. Studies have demonstrated that xenon automotive lighting helps drivers to concentrate on the road and to distinguish obstacles and road signs much faster than traditional lamps.

Single-lamp replacement

Philips Xenon Vision replaces a single burnedout lamp while matching the color of the unchanged one. Its new single-lamp replacement technology allows for one-by-one replacement while still matching the color temperature of the unchanged lamp. Thus, Xenon Vision is the perfect solution for singlelamp replacement.

UV Resistant

Philips special anti-UV coating technology protects the headlights against harmful ultraviolet radiation, making Philips UV-coated quartz glass perfect for all driving conditions and ensures their longevity

High quality quartz glass

UV-Quartz glass is stronger than hard glass and highly resistant to temperature extremes and vibrations, which eliminates the risk of explosion. Philips quartz-glass lamps are able to withstand severe thermal shock. With the capability of increased pressure inside the lamp, UV-quartz glass is able to produce a more powerful light.

Resistance against humidity

Only a burning bulb made of quartz glass can resist thermal shocks : if a drop of cold water touches the hot bulb, which can happen when you drive through water with a broken headlight unit.

Specifications

Packaging Data

- Packaging type: S1
 EAN1: 8727900364897
- EAN1: 8727900364897
 EAN3: 8727900364903

Electrical characteristics

- Voltage: 85 V
- Wattage: 35 W

Lifetime

• Life time: 2500h

Light characteristics

- Color temperature: 4600 K
- Lumens: 3350 ±300 lm

Ordering information

- Order entry: 85415VIS1
- Ordering code: 36489733

Outerpack information

- Gross weight per piece: 0.307 kg
- Height: 14 cm

- Length: 14.6 cm
- Width: 13.1 cm

Product description

- Type: D1S
- Application: High beam, Low beam
- Designation: D1S Vision
- Homologation ECE
- Range: Vision
- Technology: Xenon
 Base: PK32d-2

Packed product information

- Gross weight per piece: 153.5 g
- Height: 14 cm
- Length: 12.5 cm
- Net weight per piece: 73.2 g
- Pack Quantity / MOQ: 2
- Width: 6.8 cm

Marketing specifications

- Expected benefits: More light
- Product highlight: Ideal for replacement
