

Philips Vision

Xenon car headlight bulb

- D1S
- 85V
- 35W

85415VIS1

Feel safe, drive safe

Ideal for replacement

Philips Xenon Vision replaces a single burned-out lamp while matching the color of the unchanged one thanks to its new single-lamp replacement technology. Therefore it is the ideal replacement lamp and it's economical too!

Benefits

The reference in case of xenon lamp replacement

- Replace one by one
- Xenon Vision perfectly matches the unchanged Xenon lamp

Xenon quality and ultra resistant car lamp

- Philips is the inventor of Xenon HID technology
- Philips car lamps are highly UV resistant
- Philips car lamps are made of high-quality quartz glass

- Philips car lamps are highly resistant against humidity

Original Equipment manufacturer

- Philips is the choice of all major car manufacturers
- Respecting high quality standards of the ECE homologation
- Award winning car lamp manufacturer

PHILIPS

Vision

Features

Car manufacturer choice

For 100 years, Philips has been on the forefront of the automotive lighting industry, introducing technological innovations that have become standard on modern automobiles. Today, one in two cars in Europe and one in three worldwide is equipped with Philips lighting

ECE homologation

Philips Automotive is dedicated to producing best-in-class products and services in the Original Equipment Manufacturer market as well as in aftermarket. Our products are manufactured from high-quality materials and tested to the highest specifications to maximize the safety and driving comfort of our customers. Our entire production is meticulously tested, controlled and certified (ISO 9001, ISO 14001 and QSO 9000) to the highest ECE requirements

Rewarded Car lamps

Our lamps are often rewarded by automotive experts

Economical choice

Thanks to its single lamp replacement technology Xenon Vision allows you to change your bulbs one by one while matching the color temperature of the unchanged lamp. It is the most economical choice for lamp replacement.

Original Xenon technology

Xenon HID (High Intensity Discharge) lamps offer twice as much light for safer driving in all conditions. As a matter of fact, the intense white light produced by the Xenon HID lamps is comparable to daylight. Studies have demonstrated that xenon automotive lighting helps drivers to concentrate on the road and to distinguish obstacles and road signs much faster than traditional lamps.

Single-lamp replacement

Philips Xenon Vision replaces a single burned-out lamp while matching the color of the unchanged one. Its new single-lamp replacement technology allows for one-by-one replacement while still matching the color temperature of the unchanged lamp. Thus, Xenon Vision is the perfect solution for single-lamp replacement.

UV Resistant

Philips special anti-UV coating technology protects the headlights against harmful ultraviolet radiation, making Philips UV-coated quartz glass perfect for all driving conditions and ensures their longevity

High quality quartz glass

UV-Quartz glass is stronger than hard glass and highly resistant to temperature extremes and vibrations, which eliminates the risk of explosion. Philips quartz-glass lamps are able to withstand severe thermal shock. With the capability of increased pressure inside the lamp, UV-quartz glass is able to produce a more powerful light.

Resistance against humidity

Only a burning bulb made of quartz glass can resist thermal shocks : if a drop of cold water touches the hot bulb, which can happen when you drive through water with a broken headlight unit.

Packaging Data

Packaging type	S1
EAN1	8727900364897
EAN3	8727900364903

Electrical characteristics

Voltage	85 V
Wattage	35 W

Lifetime

Life time	2500h
-----------	-------

Light characteristics

Color temperature	4600 K
Lumens	3350 ±300 lm

Ordering information

Order entry	85415VIS1
Ordering code	36489733

Outerpack information

Gross weight per piece	0.307 kg
Height	14 cm
Length	14.6 cm
Width	13.1 cm

Product description

Type	D1S
Application	High beam Low beam D1S Vision
Designation	
Homologation ECE	YES
Range	Vision
Technology	Xenon
Base	PK32d-2

Packed product information

Gross weight per piece	153.5 g
Height	14 cm
Length	12.5 cm
Net weight per piece	73.2 g
Pack Quantity /	2
MOQ	
Width	6.8 cm
