laptop back to full power, your own or others’.

Broad compatibility

Simply select one of the included connectors and charge your Acer, Asus, Dell, Fujitsu, HP, Lenovo, Medion, MSI or Toshiba laptop. Is the right connector not included in the package? Visit trust.com/19138 to request a free additional connector.

Easy to use

The Trust Primo 90W Universal Laptop Charger can be used with virtually any laptop that requires a power adapter of 90W or less. Simply check the required input voltage on the back of your laptop, set the Primo charger to 15V, 16V or 19.5V to match it, and the Primo is ready to charge your laptop safely, any time.

Travelling companion

The charger’s compact and reliable design makes it perfect to take with you, regardless of where you’re going. It works with the wall power socket voltages everywhere in the world, which means you can safely charge your laptop with the Primo charger anywhere.

Smart Protection System

The charger protects your laptop against overload and short circuit, so it is protected from any damage and allows for safe recharging at all times. Its durable and energy efficient design also helps to prevent unnecessary power usage and overheating.
