Highlights

Decorative outdoor lighting

Outdoor lighting can improve the look of your garden or outside space, illuminating eye-catching features, lighting pathways with style or creating the perfect ambience for those memorable evenings with friends and family. That's why Philips has created myGarden, a range of beautiful decorative outdoor lighting with the flair and functionality to help you make the most of your outdoor space in your own style.

Choose heritage style

Designed in Europe, this lamp has a unique design signature to help you create a heritage outdoor look.

Choose outdoor wall lights

Make the most of your outdoor space with this wall light, perfect for mounting close to your front door or on your terrace walls.

High quality material

This Philips lamp is made specifically for outdoor spaces. It's hard-wearing and built to last, so it will light up your garden night after night. It's constructed from high-quality die-cast aluminium and superior synthetics.

Philips bulb always included

High-quality Philips light bulbs are included in the box for achieving the best light effect.

Energy saving

This Philips light conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Powerful light

This outdoor lamp provides powerful warm white light. A bright pool of light to light up your garden or patio.

Weather-proof

This Philips outdoor lamp is specially designed for humid outdoor environments and has undergone rigorous tests to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This lamp is designed with IP44: it is protected against splashing water. This product is most common and ideal for general outdoor use.
