PHILIPS

High quality material

This Philips lamp is made specifically for outdoor spaces. It's hard-wearing and built to last, so it will light up your garden night after night. It's constructed from high-quality die-cast aluminium and superior synthetics.

Philips bulb always included

High-quality Philips EcoLamp energy-efficient light bulbs are included in the box for achieving the best light effect.

Energy saving

This Philips light conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Powerful light

This outdoor lamp provides powerful warm white light. A bright pool of light to light up your garden or terrace.

Weather-proof

This Philips outdoor lamp is specially designed for humid outdoor environments and has undergone rigorous tests to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This lamp is designed with IP44: it is protected against splashing water. This product is most common and ideal for general outdoor use.
