Highlights

Beard & moustache comb

Keep your beard at the length you prefer. Choose from 18 length settings in 1mm steps (1-18mm) by using the beard & moustache comb on the full-sized trimmer.

Nose trimmer

Easily and comfortably remove unwanted hairs from your ears and nose with this clip-on rotary trimmer.

Full-sized trimmer

Maintain your style, get clean, sharp lines around the edge of your beard, or create perfect stubble with the full-sized trimmer.

Rechargeable

Get 35 minutes of cordless use after every 10-hours charge.

Skin-friendly high-performance

The steel blades lightly brush against each other, so they sharpen themselves as you trim! The blades stay extra-sharp to always cut hairs neatly and effectively, but have rounded blade tips and combs to prevent skin irritation.

100% washable

With its waterproof design, this grooming kit can be rinsed under the tap to make cleaning even easier.
