

# Case Logic Core Collection

## Medium Camera Case

CPL-102

When capturing a block party or a day at the park, this ready-to-wear, stylish medium camera case is ideally sized to throw into any bag or carry cross-body. Contemporary quilting enhances the casual aesthetic and reveals just how much padding is protecting your camera.

### Product Features:

1. Compatible with a range of medium point and shoot cameras, compact system cameras with a pancake lens or camcorders
2. Durable exterior materials and interior padding protect your camera against daily wear and tear
3. Detachable cross-body strap or low-profile belt loop for easy transport
4. Internal pocket stores extra memory card or small cable

### Colors:

BLACK
