### Marketing

|                        |  |
|------------------------|--|
| Extended retailer text | Ever wanted to use your tablet for navigation or as your personal audio system in your car? Or perhaps for letting your passengers watch movies at the back seat? This car holder turns your Galaxy Tab 2 7.0 or Google Nexus 7 into a multimedia system for your car! |
|                        | Perfect Fit  |

This car holder is especially designed for the Galaxy Tab 2 7.0 and the Google Nexus 7. The screen, buttons and connectors of your tablet will remain entirely free so you can use your tablet to the fullest. Due to the tailor-made design, your tablet will be mounted safe and firmly into the holder.

#### Choose your ideal viewing angle

The car holder features a compact, foldable design with an adjustable viewing angle. You can easily turn your tablet into the viewing angle you want, in both landscape and portrait mode.

#### Easy and safe installation+

Using the strong suction cup, you can easily mount the car holder to your windshield or at any other flat surface. You can even use this holder at a tile wall in your house.

Your Galaxy Tab 2 7.0 or Nexus 7 can be easily clicked into and out of the holder without detaching the holder itself from for example your windshield.

This car holder allows you to use your tablet to the fullest in your car or even in your house!
