Best performance that feels great

- Contour following comb for speed and comfort
- SteelWave self-sharpening blades for precise results

Create the look you want

- 15 integrated length settings up to 42mm
- Length indicator shows remaining hair length in mm

Highlights

Contour following comb

The contour following comb adjusts to every curve to give fast and comfortable results.

Self-sharpening blades

Revolutionary wave-shaped, self-sharpening blades channel and cut hair for a precise and even result.

15 integrated length settings

Select and locks your desired length within a versatile range of possible lengths.

Length indicator

On the front of the hair clipper the length indicator shows you the exact hair length you'll get with a particular setting.
