5.1 3D Blu-ray Home theater

• 3D Blu-ray
• 1000W

HTB3510/40

Powerful cinematic surround sound with deep bass

Pump up your home entertainment experience with the Philips home theater system HTB3510. Exposed speakers drivers offering powerful 1000W with double basepipes and immersive 3D Blu-ray Disc playback.

Benefits

Great listening experience
• 1000W RMS power delivers great sound for movies and music
• Dolby TrueHD and DTS-HD for high fidelity surround sound
• Powerful speakers with double basspipes for great sound

Simply enjoy all your entertainment
• Full HD 3D Blu-ray for a truly immersive 3D movie experience
• HDMI for high definition movies and picture quality
• Turn your Smartphone into a remote for Philips AV products

• SimplyShare to connect & stream all entertainment wirelessly
• Audio in to enjoy music from iPod/iPhone/MP3 player
• EasyLink to control all HDMI CEC devices via a single remote
• DivX Plus HD Certified for high definition DivX playback

Designed to enhance your cinema at home
• Modern design to complement your home environment

**PHILIPS**

Features

Full HD 3D Blu-ray

Be enthralled by 3D movies in your own living room on a Full HD 3D TV. Active 3D uses the latest generation of fast switching displays for real life depth and realism in full 1080x1920 HD resolution. By watching these images through special glasses with right and left lenses that are timed to open and close in synchrony with alternating images, the full HD 3D viewing experience is created in your home cinema. Premium 3D movie releases on Blu-ray offer a wide, high quality selection of content. Blu-ray also delivers uncompressed surround sound for an unbelievably real audio experience.

1000W RMS power

Dolby TrueHD and DTS-HD

Dolby TrueHD and DTS-HD Master Audio Essential deliver the finest sound from your Blu-ray Discs. Audio reproduced is virtually indistinguishable from the studio master, so you hear what the creators intended for you to hear. Dolby TrueHD and DTS-HD Master Audio Essential complete your high definition entertainment experience.

Double Bass Sound

Powerful speakers with a bass-reflex system and double basspipes enhance the lower frequencies and deliver rock-solid, deep bass sounds. You'll be able to hear the lowest murmur or the deepest roar.

HDMI for HD movies

HDMI is a direct digital connection that can carry digital HD video as well as digital multichannel audio. By eliminating the conversion to analog signals it delivers perfect picture and sound quality, completely free from noise. Movies in standard definition can now be enjoyed in true high definition resolution - ensuring more details and more true-to-life pictures.

Philips MyRemote

The Philips MyRemote app lets you use your smartphone or tablet as a remote to control your Philips AV products that are connected to your home Wi-Fi network, and gives you instant control from anywhere in your home. It also comes with useful functions such as SimplyShare to connect and stream all entertainment wirelessly; and MySound to customize your listening preferences.

SimplyShare

Philips SimplyShare lets you share your music, movies & photos from tablet, smartphone & PCs to your home theater & Blu-ray player. You can stream all entertainment directly from your DLNA-enabled devices or use remote control to access & stream media files from your PC. For the best wireless experience, install the SimplyShare app on your tablet/smartphone. You are now ready to enjoy all your entertainment effortlessly.

Audio in

Audio in allows you to easily play your music directly from your iPod/iPhone/iPad, MP3 player, or laptop via a simple connection to your home cinema. Simply connect your audio device to the Audio in jack to enjoy your music with the superior sound quality of the Philips home cinema system.

EasyLink

EasyLink lets you control multiple devices like DVD players, Blu-ray players, soundbar speaker, Home theater and TV's etc. with one remote. It uses HDMI CEC industry-standard protocol to share functionality between devices through the HDMI cable. With one touch of a button, you can operate all your connected HDMI CEC enabled equipment simultaneously. Functions like standby and play can now be carried out with absolute ease.

Specifications

Accessories

Included accessories	2 x AAA Batteries
	Power cord
	Quick start guide
	Remote Control
	Safety & Legal Leaflet
	Trademarks Sheet
