- Rich omni-directional sound to fill your bedroom
- Shielding technology to block mobile phone interference
- 2 Active drivers and bass pipe for balanced rich sound

#### Designed for your bedroom

- Fast charging and play music via Lightning connector
- Auto synchronisation of time or date when docked

- Soft glow night light
- Elegant and compact design to fit on any bedside table

#### Advanced versatility

- Charge second mobile device via USB port
- Free ClockStudio app for internet radio and other cool features

# PHILIPS

## Features

### Play and charge via Lightning

Enjoy your favourite music while charging your iPod/iPhone via the new Lightning connector! Just dock it directly on the speaker to play your hand-picked tunes in superb sound. It also charges your device quickly while it's playing, so you don't have to worry about the battery running out.

### Auto clock/date sync

Docking station automatically synchronises the clock or date with your iPod or iPhone when docked. Just press a button to switch between clock and date display.

### USB for second device

For added convenience, this speaker also boasts a USB port for charging a second mobile device even when your iPod/iPhone is docked.

### Free ClockStudio app

The free app adds an array of exclusive cool features to your docking speaker. You can check the weather, tell the time and even use your favourite images as wallpaper. ClockStudio also lets you listen to thousands of Internet radio stations worldwide. More updates on skin styles and new functions on the way.
